APPENDIX A.

Questions and Answers not take up for want of time.

BY MR. B. CHINNOBIAH (Minority Interests).—

Q.—28. Will the Government be pleased to state:—

(1) What is the total population of the *Bedars* in the State? How many men, women, boys and girls are there in the total population?

(2) How many *Bedar* students (male and female) are studying in colleges and high, middle and primary schools in the State?

(3) How many students (male and female) are getting scholarships, freeships and half-freeships?

(4) Is this community getting any Backward Community Scholarships? What are the other scholarships given to this community?

(5) How many graduates are there in the *Bedar* community? Have any of them secured appointments in the Government service? Are their names included in the Civil List? Did any of them put in their applications for being appointed as Probationers when Probationers were appointed? If so, who are they and were they selected? If not, what were the reasons for not selecting them?

(6) Will the Government be pleased to entertain now at least the educated men of this community to the higher appointments in Government service? Are the Government aware that *Bedar* caste comes under Backward Classes? Are the Government trying to give encouragement to this community?

SECRETARY TO GOVERNMENT, DEVELOPMENT DEPARTMENTS.—
